Feb. 9	M&C	MCPS property on Stonestreet	CPDS		At the 12/13/04 meeting with the neighborhood association leadership, MCPS presented two site plans, one with 98 units that would meet the Master Plans' recommendations in terms of density, and one with 157 units. The community was unanimously against the 157-unit version, but ultimately agreed that a density greater than 8 du/ac (98 units) but less than 10 du/ac could be considered, with appropriate amenities such as a pocket park. MCPS offered to deed the former Lincoln High School to the City.  MCPS will bring more information to a broader group of neighborhood residents at the next meeting. Staff encouraged MCPS and the neighborhood association to schedule the meeting on a night that the Mayor & Council and Planning Commission members are available. Staff will share the date with the Mayor & Council as soon as possible.	
Feb. 9	M&C	Bus shelters with advertising	CMO		Traffic and Transportation Commission discussed on 3/23 and the M&C on 3/29. Staff will provide additional information for the M&C on bus shelter advertising and bus shelter sponsorships.	
Feb. 9	M&C	Fleet Street - Montgomery County surplus property	CPDS		HIOC and their architect presented the preliminary proposal for redevelopment to the City on 9/23/04. HIOC is currently working on hiring a developer to do a final site plan. A public hearing on a Map Amendment Application is scheduled for 1/10/05. The amendment proposes moving from R-90 to R-30, which allows townhome and multi-family residential (low density) development. Staff expects the entire plan review and approval process for the project to take a minimum of 6 months from when the application is filed. The Mayor & Council received a memo dated 12/7/04 that describes the approval process and timing.	
Feb. 17	M&C	Status of planning area north of Beall Town Center Phase II	CPDS		Staff presented a draft plan for the area north of Beall Avenue at the 7/21/04 joint worksession with the Planning Commission, and has been sharing information about the draft plan with property owners and other interested groups. Staff summarized the feedback from property owners in a memo to the Mayor & Council dated 10/29/04. Staff provided another update to the Mayor & Council in a memo dated 12/2/04.	
Mar. 8	M&C	Archstone apartments compactor structure blocks the City Center shopping center sign	CPDS		A building permit was approved. The owner of the apartment complex has had difficulty securing a contractor, but expects to have the compactor structure re-worked to not block the shopping center sign by the end of January 2005.

Mar. 15	SH/I.G	Process and requirements for getting specialty license plates for Rockville	CMO		MVA now reports that Rockville may submit an application for organizational/specialty plates. Staff will continue discussions with the MVA and M&C on the process and the plate design.	
May. 24	M&C	Respond to citizen inquiry about cell tower at Wootton Hts	CPDS/ Telecomm- unications Manager		Cingular is pursuing a 120-foot stand-alone monopole near the football stadium to accommodate 3 or 4 co-locators. Cingular held a community meeting on 11/18/04 to present their plan. Most residents expressed opposition, primarily due to potential health effects. Cingular agreed to investigate alternative locations at Frost MS, Lakewood CC, Rockshire shopping center and existing Verizon facilities. They will report back to the community around the first of the year. Cingular also offered to hold a second community meeting.	
Jun. 1	I.G	Determine the flexibility in use of ground floor retail space in the Town Center Cultural Arts Bldg.	CMO/ Attorney		The approved GDA includes the option for the City to negotiate the lease or purchase of an additional 1,200 square feet of space at the ground level.	
Jul. 19	I.G	Provide an update on the status of traffic management issues in the West End	DPW		City staff used all available resources to collect and analyze traffic count data associated with recommendations submitted by the WECA Board. The Mayor and Council received the results of the analysis in a report dated 11/22/04. Staff also sent a copy of the report to the WECA Board and shared the results with the Traffic & Transportation Commission. Staff prepared a new CIP project sheet for West End sidewalks, and shared the CIP sheet and an explanation of the CIP process with the WECA Board President. Staff is meeting with the Beall ES principal and PTA reps on 1/7/05.	
Jul. 26	I.G	Provide updates on the status of the Shady Grove Sector Plan	CMO		The Mayor presented testimony at a County Council public hearing on the Shady Grove Sector Plan on 11/4/04. The County Council's Planning, Housing and Economic Development Committee will discuss the Plan on 1/25/05 at 2pm and on 1/31/05 at 9:15am (this discussion will focus on transportation issues).	
Jul. 26	M&C	Consider potential improvements to the merge area and a speed indicator sign at I-270 and MD 28 by Adclare Rd.	DPW		Staff completed the design for a physical barrier between the turn lane onto Adclare Rd. and the through lane at MD 28. It was submitted to SH&A for approval. Staff will look at including funds in the FY 06 CIP for a speed indicator sign at MD 28 and Adclare at a cost of between \$6,000 and \$10,000.

Aug. 2	JH	Develop a plan to remove stray shopping carts from the community	NCS		Staff and Councilmember Hall met with the Chamber and some businesses on 9/28/04. The Chamber sent a letter to Rockville retailers that use shopping carts which describes the problem, lists some suggestions to address the problem and asks businesses to share ideas for the Chamber to incorporate in a plan of action to present to the City. Code Enforcement staff also shared with the Chamber a list of businesses and areas of the City that are of particular concern.	
Aug. 2	LG	Provide periodic updates on the status of the refuse study	DPW		The Mayor & Council discussed the completed refuse study with R.W. Beck on 9/13/04 and identified several follow up items. On 11/19/04, the Mayor and Council approved a \$20,000 contract with R.W. Beck to conduct a citizen survey on refuse services. The surveys were sent to 2,000 residents on 12/8/04. They're due back to R.W. Beck on 12/29/04. R.W. Beck will share the results with City staff on 1/10/05 and present them to the Mayor and Council at the 1/18/05 worksession.	
Sept. 2	LG	Determine whether the parking requirements defined in the use permit for the former RCI properties are being met	CPDS		The City Manager received a letter on 10/29/04 from the owner's attorney indicating that the garage at 255 Rockville Pike will be open the same hours as the retail pavilion beginning 10/29/04. Staff monitored the garage hours of operation and observed some problems. Staff sent a letter on 11/30/04 to request that the hours of operation be corrected and that the correct hours be publicized. The City is monitoring the garage hours of operation again this week.	
Sept. 13	LG	Provide periodic updates on the status of the MOU between the City and the County re: impact taxes	CMO		In progress.	
Sept. 13	LG	Follow up on the letter to WMATA about policies related to Twinbrook and Rockville Metro redevelopment	CMO		A meeting with WMATA's Government Relations staff was held on 11/10/04 to discuss parking, owner occupied housing and Red Line capacity. A memo to the Mayor & Council dated 11/17/04 summarized the discussion. WMATA agreed to provide the City with data on parking. They also offered to take Rockville's request regarding owner occupied housing to the WMATA Board in February. Scott Ullery will meet with the WMATA staff again on January 28 <sup>th</sup> .

Sept. 23	I.G	Verify whether the County's plan to widen Montrose Parkway includes taking property from North Farm homes	DPW		The County placed stakes on the property where they plan to place the wall. The County met with impacted households on 11/9/04 to discuss the benefits and impacts of a noise wall, and the option of not building a wall. The impacted residents agreed to vote on the noise wall options and report back to the County. The County extended the deadline for the vote to 1/24/05.	
Nov. 1	AR	Explore the possibility of placing a "No U-Turn" sign at MD 28 and Hurley	DPW		SHIA investigated the City's request for a "No U-Turn" sign or other way to reduce unsafe u-turns at this location. SHIA's response was attached to the Master List on 11/17/04. SHIA decided to install a sign that reads "U-Turn Yield on Green Ball (Symbol) or Arrow (Symbol)" facing westbound traffic on MD 28. They expected to install the sign by mid-December. The sign was not yet installed as of 1/5/05.	
Nov. 1	I.G	Report to the M&C on the City's strategy to address property maintenance issues at 6007 LeMay	NCS		The City has been issuing citations to the property owner daily. Fines total \$25,100. Owner paid \$12,600 to date and owes the City \$12,500. The unpaid citations expired on 12/31/04. Staff prepared case files for the unpaid fines and forwarded the information to the City Attorney's Office this week for court action.	
Nov. 1	SH	Look into placing a countdown crosswalk signal at MD 28 and Great Falls Rd.	DPW		Staff contacted SHIA to determine whether the City needs State approval to install the signal and to seek advice on a signal manufacturer. We're waiting for a response.	
Dec. 6	I.G	Status of District Court construction	CPDS		The State expects to have schematic designs of the building completed in the middle of January for review and approval by a state architectural committee. The State agreed to share the designs with the City after the committee's review. The City sent a letter to the State on 12/14/04 requesting that they confer with the City before getting approval from the State architectural committee. A copy of the letter was shared with the Mayor and Council on 12/16/04.	
Dec. 6	M&C	Identify a name for Newmarket street that's associated with Town Center's history	CPDS		A memo to the Mayor & Council dated 12/7/04 included a list of considered street names and background information on the former Cairo Street. Staff will bring this topic back to the Mayor & Council during the 1/10/04 General Session.

Dec. 13	I.G	Provide status reports on resolving the iodine contamination in the City refuse truck	DPW		On 9/27/04, an alarm system at the transfer station indicated a high dose of iodine 131 in a City refuse truck. A County hazmat team responded and the City contracted with a private hazmat handling company. We are waiting for the material to be safe to examine so the hazmat company can try to determine where the iodine material came from. The material cannot be touched until at least after the first of the year. City staff was not harmed.	
May. 10	I.G	Move the plaque commemorating the creation of the City's water system and consider planning a ceremony to recognize the creation of the water system	Rec & Parks/CMO	Nov. 29	Rec & Parks staff moved the plaque to a more visible location at the corner of Courthouse Square and So. Washington St. on 5/26/04. Based on a conversation with Alex Green, staff finds it is most appropriate to plan a recognition of the 50 <sup>th</sup> anniversary of the opening of the water plant in 2008.	Y
Nov. 23	I.G	Report on how and when the State will implement the new flush tax	CMO	Dec. 7	The Flush Tax becomes effective on 1/1/05. The first bills that will include the Flush Tax will be mailed on 2/15/05. They will include a line item that says "Bay Restoration Fee" beside the charge to the customer. The fee will only be applied to service provided after 1/1/05. In addition, the following text will be included with the bill as an insert for the first six months (two quarterly bills for each customer):  State Bay Restoration Fee: Effective January 1, 2005, the State of Maryland has imposed a State Bay Restoration Fee for all water/sewer customers to fund the Bay Restoration Fund. All RESIDENTIAL water/sewer customers will be charged \$2.50/month, which will appear as a separate line item on your bill. NON-RESIDENTIAL water/sewer customers will be charged on a sliding scale based on the number of equivalent dwelling units (EDUs). For more information please contact the Revenue Office at (240) 314-8420 or visit the State of Maryland website: <a href="http://www.mde.state.md.us">www.mde.state.md.us</a> .	Y

Sept. 2	LG	Find out the status of any criminal charges against the individuals involved in the car accidents on First Street earlier this year	Police	Dec. 22	<p>The State's Attorney's Office (SAO) reports that the individual who was involved in the first accident has been located in Korea. The SAO is working with the State Dept to have the individual extradited back to the U.S.</p> <p>Sentencing for the second First Street accident took place on 12/15/04. The judge imposed a 24-month sentence, with 6 months suspended, and also gave 40 days credit for time served awaiting sentencing. Several additional mandates to seek assistance from County programs were also placed on the accused.</p>	Y
Dec. 8	LG	Explain why the new portion of Maryland Ave. may be named North Maryland Ave.	CPDS	Dec. 22	<p>Staff was concerned that the current numbering on Maryland Ave. would not leave enough numbers to complete the addresses on the new portion of the street. Naming the new part of the street North Maryland Ave would allow the City to re-start numbering at 100 and avoid the problem of running out of address numbers. After concerns were raised, CPDS staff mapped the addresses again and thinks that there are just enough addresses available to keep the new section of the road named Maryland Ave. The City assigned the new library a North Maryland address before we discovered that the street could remain entirely Maryland Ave.</p>	Y

## MEMORANDUM

December 2, 2004

TO: T. N. Treschuk, Chief of Police

FROM: C. L. Holzberger, Field Services Bureau Commander *CH*

SUBJECT: Police Event Summary for November 2004

The Montgomery County Police Records Division has established a standardized report of police events in the City of Rockville that includes the primary unit designation. This report includes ALL police events, including calls-for-service and self-initiated events such as traffic stops for all units to include off-duty and other MCPD District personnel that initiate activity while in the city. In addition, the report permits us to track the use of the Telephone Reporting Unit and the activity of other agencies (non-MCPD or RCPD) within the City of Rockville. The department has been granted direct access to their database, Crystal Reporting, in order to run these reports at any time.

The statistical report was used to create this summary, which indicates the agency responsible for the events that occurred in November 2004. There were 3088 police events within the City of Rockville during the month.

These events were handled by the following agencies by number and percentage:

Rockville Police Department	2132	69.0%
Montgomery County Police (non-TRU)	773	25.0%
Montgomery County Police (TRU)	114	3.7%
Montgomery County Sheriff's Office	61	2.0%
Gaithersburg Police Department	5	0.2%
Montgomery County Fire Marshall's Office	1	0%
Montgomery County Park Police	2	0.1%

Dear Chief Treschuk,

*[Signature]*  
12/2/04

I do want you to be aware that officer Jeffrey Cramer - on 11-18-04 - defused a situation which could have become worst. He was also available when I phoned him later for additional details.

I did and do appreciate officer Jeffrey Cramer professional intervention and again I do want to bring this fact to your attention.

Respectfully

*Louis V. DeTure*

Dear Chief Treschuk:

We are very thankful for the consistent support you have demonstrated during our efforts to educate our parents about safe and appropriate driving behaviors. Your diligence and persistence has helped us to inform parents about the importance of keeping our streets safe for our children. We have appreciated your mindfulness to working as a team to help our parents become more aware of being law-abiding citizens.

We are proud to work with you as part of our team. You are providing an invaluable service to our school community. Again, we are genuinely grateful for all that you are doing.

Sincerely,

## MEMORANDUM

December 21, 2004

TO: T. N. Treschuk, Chief of Police

FROM: Captain M. W. England, Special Operations Bureau Commander

SUBJECT: Meter Installation – Final Phase

As of today, the final 95 meters have been installed. The meters are located on Lewis Avenue (55), Halpine Road (28) and Ardennes Avenue (12). The meters are bagged and will not be enforced until all the appropriate signs are installed. On December 14, 2004 Mr. Cutro informed me necessary signs have been ordered and should arrive shortly.

Once all the necessary signs have been erected, we will remove the bags covering the meters and begin a 2-week warning period. After the 2 weeks will begin regular monitoring and enforcement of these meters.

The timeline I imagine or this is

- January 3, 2005, the meters will be uncovered and the warning period will begin.
  - January 18, 2005, routine monitoring and enforcement of the meters will start.
- NOTE: January 17, 2005, is a holiday so the meters would not be affect.

With the addition of the above reference 95 meters, the City has installed a total of 567 meters.

Rockville, Maryland 20850

Dear Chief Treschuk:

I am writing on behalf of the Montgomery County Public Schools (MCPS) to express appreciation for the outstanding services rendered by Sergeant Alan Rawlins, Corporal Phil Lew, Corporal Mike Varron, and Officer Tom Eaches on December 15, 2004, during the traffic detail related to the FY 2006 Budget Presentation by Dr. Jerry D. Weast, superintendent of schools, at Rockville High School.

The officers were instrumental in providing excellent and efficient support in the coordination of a large number of vehicles around the school campus during the arrival and departure times of this event. The cold temperatures did not prevent the officers from providing their services in a pleasant and professional manner that reflected a very positive image for the City of Rockville Police Department. In addition, it was reassuring to have Corporal Varron in the audience ready to provide his support in case of an emergency.

Please extend our sincere appreciation and gratitude to all of the officers and the sergeant that were involving in this event. They are superb examples of police professionals whose services demonstrate the continuing outstanding partnership between MCPS and the City of Rockville.

Sincerely,

(I'm having to send this from my work because for some reason my personal email is not working!)

I called on December 7<sup>th</sup> about a tree in Lone Oak Park which had fallen down onto my property and my neighbor's across our fences in the back. I had tried to clean up what I could but didn't have a chain saw, so the rest of the tree was impossible for me to take care of. When I came home that evening, I saw that the tree was gone and not only that, but the branch I had dragged up to my deck to saw up with my bow saw and a bunch of vines which I hadn't been able to get in my containers for the trash pickup were gone.

Needless to say, I was very happy about the speed with which it was done and their getting the branch and vines as well. Please forward my thanks to whoever was involved.

Attn: Honorable Mayor Larry Giammo,

Rockville, MD 20850-2364

December 7, 2004

Dear Mr. Craner,

This letter is to express my great appreciation for the extraordinary service provided by Ms. Linda Moran for water pipe replacement project. Without Linda's important assistance, our family could have paid a big due of money to fix the public pipe system connected to our house.

In September we were required by Inspection Division to replace the existing small water pipe as the condition to obtain the building permit and we get plumber permit and public work permit respectively for the project.

At November 16, 2004 when my master plumber came to my home to connect the home pipe into the street pipe, the city inspector of Public work Mr. Brewer had determined that the in my sidewalk area was galvanized and had decided to stop the project in purpose for the public safety. We realized that the decision was accurate and necessary because we must not drink the water from the galvanized pipe (in the public section). However, we also realize that the City could be responsible for such replacement. We sent the crew home and we had already paid the full day work for the team. We were very confused for the situation that we should urge the City for the replacement for such contaminated pipe promptly.

Finally we we had decided to present the case to your office and the Mayor's office for help. We telephone Linda and explained the situation to her and she express her great concern for the problem of the galvanized pipe. Linda promised me that she would do what she could to resolve the problem for us and told us that within three hours she would call us back. Within short time Linda had called our phone and left message that the City will take care the problem. Within 72 hours the construction by the City crew team had started and the whole project had been finished in few days.

We drink the clean water since the galvanized pipe was replaced. from the City water pipe and our water project has been accomplished successfully. We would like to take that chance to express our great appreciation for your management of the city and the great performance of Ms. Linda Moran. Without her assistance, we could have wait for days before the problem would be resolved. We realize that Ms. Moran had done extraordinary excellent job to help citizens for better quality of life and we would never forget. We would also like to express our thanks to Mr. Rober Brewer of Public Work that he had provide great professional services to this project.

Best regards

INSPECTION SERVICES

Dear Ms. McDermott,

I wanted to write this letter in appreciation of the services provided by the City of Rockville and in particular, Colin McCormick. We just recently completed the exterior renovation and interior buildout of about 12,000 sf at 2 Choke Cherry Lane for Progressive Insurance. This was an extremely fast-track project and Colin's cooperation played a key role in making the job a success. Please pass on our gratitude to Colin.

Sincerely,

Matthew Trone
